When you own a Conn Organ you can create a festive holiday spirit every day of the year. This professional quality instrument interprets your mood of the moment whenever you choose - unless, of course, another member of the family gets there first! Conn's 'Instant Music' method won't make you a professional while you wait, but you will be able to play your favorite carols the first time you try. Make this year's family gift a Conn and you'll make every day a holiday. Seven superb models, from \$995. Easy monthly terms.
